

Small Wonder.

Now you can afford the best! Ettore proudly introduces its most affordable and portable Aquaclean unit, the Aquaclean Dolly AC. It's the faster, easier and safer

way to clean windows while increasing profits and production. With this revolutionary system and Ettore's new Carbon Pro+ Poles you can clean windows up to 65 feet with no ladders and no squeegees.

*New smaller unit improves portability and function.
(Battery unit shown.)*
